June 20, 2007

JUNE 20, 2007 (TORONTO) – TSX Venture 50 is back to celebrate Canada’s top emerging public companies. Tonight (Wednesday, June 20), TSX Venture Exchange will celebrate 50 companies who have stood out in their respective industry sector this past year. A Market Open ceremony at the TSX Broadcast Centre will follow-up the festivities tomorrow morning (Thursday, June 21) to highlight the top companies in each sector.

The top companies in the five industry sectors were:

- ECU Silver Mining Inc. – Mining
- Versatile Systems Inc. – Technology
- Falcon Oil & Gas Ltd. – Oil & Gas
- Neptune Technologies & Bioresources Inc. – Life Sciences
- Longview Capital Partners Incorporated – Diversified Industries

The TSX Venture 50 are the top 10 companies in each of five major industry sectors – Mining, Oil & Gas, Technology, Life Sciences and Diversified Industries – based on a ranking formula with equal weighting given to one-year revenue (last reported 12 months), return on investment, market cap growth and trading volume. All data was as at December 31, 2006.

“TSX Venture Exchange provides emerging companies with a special opportunity to participate in the marketplace” said Kevan Cowan, President, TSX Venture Exchange. “TSX Venture 50 allows them to rise above it. By recognizing these companies who are setting the bar, we are bringing great awareness to this dynamic and competitive junior marketplace.”
